Saskatoon, Sk

[BrandonLysholm@gmail.com](mailto:BrandonLysholm@gmail.com) • [www.BrandonLysholm.ca](http://www.BrandonLysholm.ca)

## SKILLS

- Experienced in using, troubleshooting, and maintaining all aspects of A/V equipment for church services.
- Served in various Christian A/V contexts, with several years of leadership in larger congregations.
- Several years experience in leading a team of volunteers, including recruitment and training.
- Passionate about using tech in innovative ways to create an immersive and theologically meaningful worship experience.
- High tech literacy, with the ability to quickly pick up new tech.
- Knowledge of various programming languages, including several web development frameworks.

## EXPERIENCE

OCTOBER 2024 - PRESENT

**FREELANCE TECH WORK FOR CHURCHES**, SELF EMPLOYED

- Did A/V system design and installation at churches, which involved training and empowering volunteers to use the system.
- Led training workshop for using church tech systems.
- Ran tech for church rentals, primarily lighting for larger secular events and concerts in churches using Onyx.

JUNE 2022 - SEPTEMBER 2024

**TECHNICAL PRODUCTION MANAGER**, CIRCLE DRIVE ALLIANCE CHURCH, SASKATOON

- Oversaw scheduling and training for technical needs both in-person and online livestream.
- Led a volunteer team of about 20 people, with 8 positions for a Sunday morning.
- Maintain, repair and upgrade A/V equipment as needed, including cable repairs, equipment repairs, and installation of new equipment.

AUGUST 2020 - JUNE 2021

**MINISTRY INTERN**, WESTGATE ALLIANCE CHURCH, SASKATOON

- Helped maintain and add upgrades to the tech booth, including helping transition to livestream services. This included setting up several key components for the livestream.
- Helped in a variety of ministries, including Sunday services, youth ministries, and kids' ministries.
- Filmed and edited a variety of videos to provide ministries during COVID restrictions.

SEPTEMBER 2019 - APRIL 2020

### **CHAPEL TECH COORDINATOR, AMBROSE UNIVERSITY, CALGARY**

- Looked after all tech needs for every chapel service, which included audio, ProPresenter, and basic lighting.
- Recruited, trained, and scheduled a team of volunteers.
- Provided recommendations for tech upgrades.

**MAY 2019 – AUGUST 2019**

### **MINISTRY SUMMER INTERN, WESTGATE ALLIANCE CHURCH, SASKATOON**

- Work with a small team to plan and run an eight-week Children's Summer Camp, which involved curriculum planning.

**JUNE 2018 – AUGUST 2018**

### **SPRAY ASSISTANT, MELBERN VEGETATION, DAWSON CREEK, BC**

- Wrote paperwork required by the government daily.
- Organized and packed equipment needed for the day as we worked away from our shop.

## **EDUCATION**

**MAY 2024**

### **COMPUTER SYSTEMS TECHNOLOGY, SASKATCHEWAN POLYTECHNIC**

- Two-year certificate program to prepare for various IT disciplines
- Learned various programming disciplines, including web development, mobile app development, and development product life cycle
- Learned systems administration, network administration, and refined troubleshooting methodologies

**APRIL 2021**

### **BACHELOR OF THEOLOGY, AMBROSE UNIVERSITY**

- Dual Minors of Psychology and Sociology
- Graduated with High Honours
